# Welcome to Apollo Care!

**Are you a kind and compassionate person  
who enjoys working with people?**

**Then you are in the right place.**

Apollo Care is recruiting passionate individuals with an unwavering commitment to caring for others and who believe in delivering quality Home Care to those who need it most.

Our teams provide personalised care and support to vulnerable people, enabling them to remain comfortable and feel safe in their own homes.

## About us and our vision

**We are Apollo Care. A Home Care provider that strives to deliver an exceptional care experience to all our clients.**

Our carers are at the heart of helping us deliver quality care and we value every single one of them.

## Our values and our mission

**Apollo Care lives for its values. They form the basis of all that we do and how we do it.**

Our 4 core values are that we are:

- Caring
- Supportive
- Empowering
- Inspiring

We have created a working environment that embodies all these values and is also a safe and fun space for our teams to learn and grow.

### *Our vision:*

is to create a network of excellence within social care and to raise the profile of care as a profession and a rewarding career.

### *Our mission:*

is to reach as many vulnerable people as possible and provide them with an exceptional Home Care experience that they can trust.

## Human Resource Policies

**Apollo Care offers a range of Human Resource Policies to underpin the value that is placed on supporting our teams:**

- Contracted minimum hours
- Paid travel/waiting time
- Savings on leisure facilities (depending on area)
- Pension scheme
- Opportunities for career advancement
- A strong commitment to Equality of Opportunity
- In-house incentives

## Continuous Professional Development

All of our care teams offer training and ongoing continuous professional development programme through regular personal development reviews.

## Safeguarding Statement

**Every member of our organisation has a responsibility to promote the welfare of all who encounter our service.**

We aim to:

- Keep people safe and operate our services in a way that protects them.
- Make reporting concerns as easy as possible and respond quickly.
- Listen to all worries and work in partnership with individuals and agencies.
